An aerial night-time photograph of the Be Kini Hotel & SPA. The central feature is a large, rectangular rooftop swimming pool with a curved edge, illuminated with a bright blue light. To the left of the pool is a rooftop terrace with several tables and chairs, some of which are lit with warm, vertical light fixtures. The hotel building is modern, with large glass windows and balconies. In the background, a dense urban landscape of various buildings is visible under a dark sky.

The image shows the interior of the Bulgari Hotel in Milan. A large, curved bar with a dark, reflective surface is the central feature. Behind the bar is a wall of floor-to-ceiling windows that offer a view of a lush green park with trees and outdoor seating areas. The bar is surrounded by dark wooden chairs. In the foreground, there are round tables set with white linens, glassware, and small potted plants. The ceiling is dark with recessed lighting, and the floor is made of polished wood. The overall atmosphere is modern and sophisticated.
