Boomy

Designer: Matteo Nunziati

Tipologia: Sdraio

Anno: 2015

Descrizione:

Boomy esprime la ricerca sofisticata di forme, trame e colori che combinano la vita contemporanea con l'artigianato raffinato, per creare icone di tendenza che rappresentano il connubio tra bellezza e qualità. La trama, le linee, il dettaglio, le caratteristiche: tutto permette di creare un capo che illustra il suo concept e quello del suo progettista. Lo sdraio Boomy è caratterizzato da tre diverse posizioni di seduta, un freno di sicurezza che ne impedisce la completa chiusura ed è possibile aggiungere un cuscino poggiatesta ed un ulteriore cuscino di supporto – altezza lombare – per arricchire il prodotto.

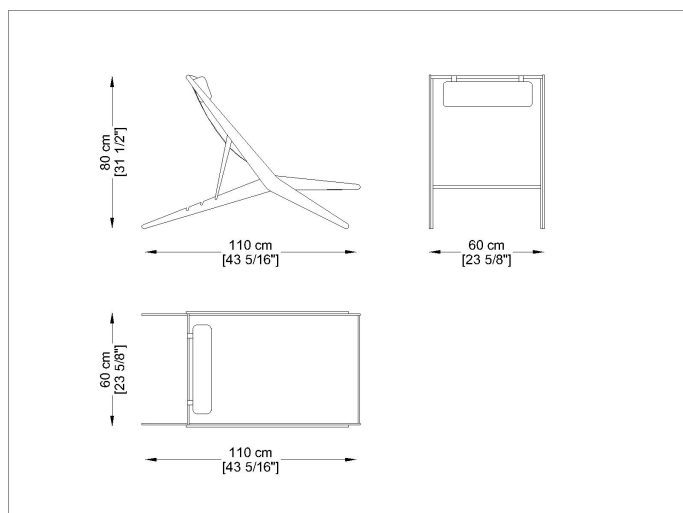

Informazioni tecniche:

Telaio: Struttura in acciaio inox e alluminio verniciato a polvere
