

Description

Clea

Designer: Matteo Nunziati

Typology: Arm chair

Year: 2017

Description: When our main desire is to break out, to take a rest or relieve our mind, sometimes it is enough to open a window and enter into our dreaming landscape.

An angle of our home, our terrace or the garden are the places where we create moments of calm of our spare-time and the Clea is the perfect solution for small terraces or smaller spaces.

With the armchair you can create a private environment represented by a product that has the padding as its characteristic element; thanks to a clean and linear structure, the Clea sofa allows you to see the uniformity of a back cushion accentuated by the linear back which highlights its elegance and a comfortable internal embrace given by careful processing in ensuring a comfortable seat and back with our dryfeel padding. By coordinating the painted structure with more solution than our fabrics, you get a unique element that revives even the simplest space

Technical information:

Frame: Steel inox and aluminium powdercoated frame

Upholstery: Dryfell (polyurethane fibre) white cover

Cover: Garden outdoor fabric available in different colors
