

Description

SGA

Designer: Stefano Gallizioli

Typology: Stool

Year: 2003

Description:

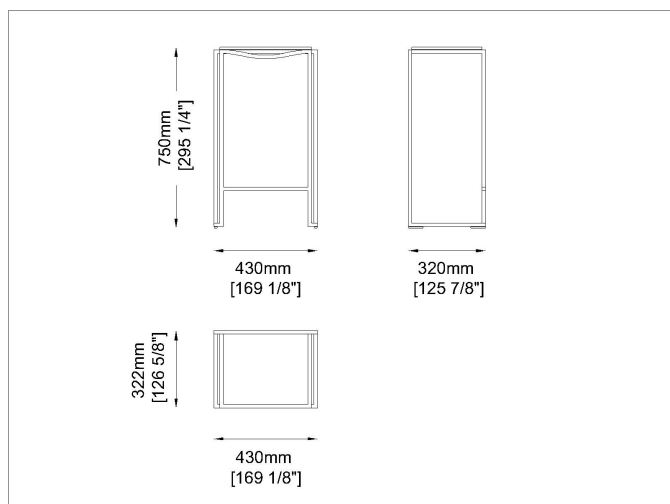

From the beginning, attention in the choice of material, the evaluation of the best techniques such as 45 ° welding and a characteristic design have been the concern for the creation of our products. The collection includes chairs with and without armrests, armchair, sofa, rocking armchair, stools and hammock characterized by the satin stainless steel structure; seat and back in nylon reinforced PVC cord, acrylic cord that warm and color your exterior. The combination of these elements has led to the creation of the Sg1 collection and a strong impression for the choice in the creation of the following our collections.
