

Descrizione

Sally 1

Designer: Riccardo Giovanetti

Tipologia: Sedia senza braccioli

Descrizione:

Sally nasce dall'idea di creare una collezione di arredi per l'outdoor che introduce nuove soluzioni costruttive e formali: una struttura leggera ed elegante in alluminio si arricchisce attraverso l'innovativo disegno del cordame che entra ed esce dal telaio creando una inedita tensostruttura. Sally non rappresenta un singolo prodotto, ma una famiglia articolata che interpreta con un segno forte e riconoscibile l'abitare contemporaneo.

Sedia senza braccioli e struttura in profilato di alluminio estruso e verniciato. Schienale e laterali con corda acrilica corta e tensionata. Seduta in alluminio verniciato. Disponibile con cuscino di seduta in poliuretano drenante o convenzionale.
